(a) Any dentist who employs or engages the services of any dental laboratory to construct or repair, extraorally, prosthetic dentures, bridges, or other replacements for a part of a tooth, a tooth, or teeth, or who directs a dental laboratory to participate in shade selection for a prosthetic appliance, shall furnish such dental laboratory with a written prescription on forms prescribed by the Department which shall contain:

- (1) The name and address of the dental laboratory to which the prescription is directed.

(c) If the dental laboratory receiving a written prescription from a dentist engages another dental laboratory (hereinafter referred to as "subcontractor") to perform some of the services relative to such prescription, it shall furnish a written order with respect thereto on forms prescribed by the Department which shall contain:

- (6) The signature of an agent of the dental laboratory issuing the order. The subcontractor shall retain the order and the issuer thereof shall retain a duplicate copy, attached to the prescription received from the dentist, for inspection by the Department or its duly authorized agents, for a period of 3 years in both cases.
- (7) A copy of the order to the subcontractor shall be furnished to the dentist.

(c-5) Regardless of whether the dental laboratory manufactures the dental appliance or has it manufactured by a subcontractor, the laboratory shall provide to the prescribing dentist the (i) location where the work was done and (ii) source and original location where the materials were obtained.

(d) Any dentist who:
